Why wait for algae to invade your pool?

AlgaeShield is treatment and prevention. It kills existing algae and defends your pool against algae for up to 30 days. Use AlgaeShield each month for a summer of clean, crystal clear water. Close your pool with AlgaeShield for an easier spring opening.

- Treatment Product
- Low Maintenance - Treat every 30 days
- Low dosage - Just 1 ounce per 1,000 gallons
- Pro-Active - Algae defense
- Rapidly Dispersing
- Preventative product
- Excellent for winterization

* Kills existing algae and prevents regrowth for up to 30 days. If a pool develops algae while using AlgaeShield as directed, Earth Science Labs will refund the purchase price. Proof of purchase required. Contact manufacturer for details.
